

## Accreditation and Designation Statement

This activity has been planned and implemented in accordance with the Essentials and Standards of Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of South Florida College of Medicine and H. Lee Moffitt Cancer Center & Research Institute. The University of South Florida is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The University of South Florida College of Medicine designates this educational activity for 4 Category 1 credits toward the AMA Physician's Recognition Award.

**Release date:** October 1, 2005

**Expiration date:** October 1, 2006

## Target Audience

This issue of *Cancer Control* provides an update on melanoma for oncologists and other healthcare professionals who treat patients with cancer.

## Educational Objectives

After reading this issue of *Cancer Control*, clinicians will be expected to:

- appreciate that work on melanoma chemoprevention is under way
- utilize the salient characteristics of localized melanoma to determine prognosis and management
- discuss adjuvant interventions for resected melanoma
- utilize tumor markers in hepatocellular carcinoma
- describe the use of PET scanning in medullary and anaplastic thyroid cancer

## Instructions

### To receive CME credit:

- Read the articles, then complete the posttest answer sheet, registration form, and evaluation on page 273.
- Submit the answer sheet, registration form, and evaluation with the \$15.00 CME payment. The posttest must be completed before the expiration date of October 1, 2006.
- Correctly answer 15 or more questions (a minimum grade of 75%) to receive 4 Category 1 credits toward the AMA Physician's Recognition Award. Upon successful completion of the CME exercise, a certificate will be mailed to you.

### CME grading options:

- **Online:** Access the journal and the posttest at <http://www.MoffittCancerCenter.org/ccjournal>, answer the posttest online, and complete the registration form. Credit card payment is acceptable for online CME.
- **Fax:** Complete the registration and answer form and fax to 813-974-3217. Payment with a credit card is acceptable.
- **Mail:** The registration, answer form, and payment can be mailed to the address below. Enclose a check for \$15.00 (payable to USF MSSC) or include credit card payment.
