

Accreditation and Designation Statement

This activity has been planned and implemented in accordance with the Essentials and Standards of Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of South Florida College of Medicine at H. Lee Moffitt Cancer Center & Research Institute. The University of South Florida is accredited by the ACCME to sponsor continuing medical education for physicians.

The University of South Florida College of Medicine designates this educational activity for 2 Category 1 credits toward the AMA Physician's Recognition Award.

The University of South Florida is approved by the American Council on Pharmaceutical Education as a provider of continuing pharmaceutical education. This supplement has been approved for 2 continuing education credits. The Universal Program Number is 230-000-05-040-H04.

This activity for 2 credits has been provided by the University of South Florida College of Nursing, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Education.

Release date: September 1, 2005

Expiration date: September 1, 2006

Target Audience

This supplement to *Cancer Control* provides an update on venous thromboembolism for oncologists and other healthcare professionals who treat patients with cancer.

Educational Objectives

After completing this CME/CE program, clinicians who care for patients with cancer will be expected to:

- understand the increased risk for VTE in cancer patients,
- describe the factors that further enhance the risk of VTE in cancer patients,
- recommend prophylactic anticoagulation for VTE in appropriately selected patients with cancer,
- prescribe optimal acute and long-term anticoagulation for VTE in cancer patients,
- recognize the possible effects of long-term anticoagulation on cancer patient survival.

Instructions

To receive CME/CE credit:

- Read the articles, then complete the posttest answer sheet, registration form, and evaluation on the page 40.
- Submit the answer sheet, registration form, and evaluation with the \$15.00 CME/CE payment. The posttest must be completed before the expiration date of September 1, 2006.
- Correctly answer 8 or more questions to receive 2 Category 1 credits toward the AMA Physician's Recognition Award. Upon successful completion of the CME/CE exercise, a certificate will be mailed to you.

CME/CE grading options:

- **Online:** Access the journal and the posttest at <http://www.MoffittCancerCenter.org/ccjournal>, answer the posttest online, and complete the registration form. Credit card payment is acceptable for online CME/CE.
- **Fax:** Complete the registration and answer form and fax to 813-974-3217. Payment with a credit card is acceptable.
- **Mail:** The registration, answer form, and payment can be mailed to the address below. Enclose a check for \$15.00 (payable to USF MSSC) or include credit card payment.
