

## Accreditation and Designation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of South Florida College of Medicine and H. Lee Moffitt Cancer Center & Research Institute. The University of South Florida College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of South Florida College of Medicine designates this educational activity for a maximum of 4 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Release date:** January 1, 2008

**Expiration date:** January 1, 2009

Estimated time to complete this activity:  
4 hours

## Target Audience

The principal aim of this issue of *Cancer Control* is to provide an update on the progress in sarcoma management for oncologists and other healthcare professionals who treat patients with cancer.

## Educational Objectives

After reading this issue of *Cancer Control*, clinicians will be able to:

- utilize optimal diagnosis and management for a range of patients with sarcomas
- select patients with sarcoma who will respond to imatinib
- address young adult survivorship issues
- enhance cancer screening efforts for African Americans
- recommend treatment for hepatocellular cancers

## Instructions

### To receive CME credit:

- Read the articles, then complete the posttest answer sheet, registration form, and evaluation on page 96.
- Submit the answer sheet, registration form, and evaluation with the \$15.00 CME payment. The posttest must be completed before the expiration date of January 1, 2009.
- Correctly answer 15 or more questions (a minimum grade of 75%) to receive 4 Category 1 credits toward the AMA Physician's Recognition Award. Upon successful completion of the CME exercise, a certificate will be mailed to you.

### CME grading options:

- **Online:** Access the journal and the posttest at <http://www.moffitt.org/ccj>, answer the posttest online, and complete the registration form. Credit card payment is acceptable for online CME.
- **Fax:** Complete the registration and answer form and fax to 813-974-3217. Payment with a credit card is acceptable.
- **Mail:** The registration, answer form, and payment can be mailed to the address below. Enclose a check for \$15.00 (payable to USF MSSC) or include credit card payment.
