The Ethics Committee: A Case-Based Presentation of Our Work

Date: Thursday, May 25, 2023
Time: 12:00 - 1:00 pm
Location: https://moffitt.zoom.us/j/98435744513

Learning Objectives: As a result of participating in this activity, the learner will be able to:

1) Describe the role of the ethics committee.

2) Examine 2 case studies and how to use the 4 Box Method to evaluate a case.

3) Review elements in determining capacity; review the concept of futility.

Accreditation:

Physicians: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. USF Health is an approved provider of continuing education for physicians through the Florida Board of Medicine. This activity has been reviewed and approved for up to 1.0 continuing education credits. License numbers are required prior to the issuance of certificates. USF Health reports FBM credits for Florida physicians who provide their license number.

Physicians Assistants: PAs may claim a maximum of 1.0 Category 1 credits for completing this activity. NCCPA accepts AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society.

Advanced Practice Registered Nurses (APRN): AANPCP accepts certificates of participation for educational activities approved for AMA PRA Category 1 Credit™ by ACCME accredited providers. APRNs who participate will receive a certificate of completion commensurate with the extent of their participation.

Nurses: USF Health (provider number 2970) is an approved provider of continuing education for nurses through Florida Board of Nursing. This activity has been approved for 1.0 contact hour.

Target Audience: Attending/Admitting Physicians, Surgeons, Medical Oncology, Hematology, Radiation Oncology, APRNs, PAs, and Nurses.

Competencies to be addressed: Patient Care and Procedural Skills, Systems-based Practice, Medical Knowledge, Interpersonal and Communication Skills, Professionalism
