To deliver individualized nursing care to patients in accordance with established hospital guidelines, nursing care standards and policies and in accordance with external regulatory agencies.

Registered Nurses use the nursing process to effectively plan and manage patient care. Biophysical, psychosocial, environmental, self-care, educational and discharge planning needs are addressed in all steps of the nursing process. This is demonstrated in base-line and comparative documentation, entered in a timely manner, and with evidence of age-appropriate consideration when care is planned, delivered, and evaluated.

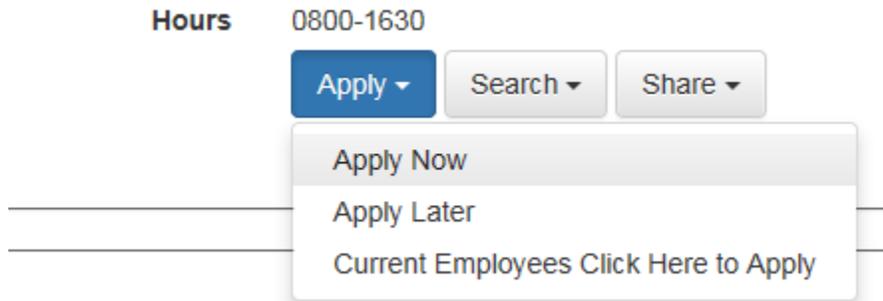

This position will primarily support breast cancer patients and will rotate between Moffitt locations.

employment. The result of such screening and testing will be initially disclosed to decision makers for Moffitt and may be the basis for disqualifying any candidate for employment and for termination during employment. Moffitt reserves the right to utilize this information in any lawful way it deems necessary, such as but not limited to civil, criminal and administrative proceedings, and any other similar matters.

By signing this application, I agree to the foregoing and further agree to hold Moffitt harmless for any claims resulting from such screening and testing for drug and/or alcohol use.

I also understand that all statements made by me in connection with my application for employment may be checked by Moffitt. I authorize Moffitt to contact my prior employers, including the employers disclosed in this application, and other sources of information, regarding my background, and I hereby authorize and direct each such employer and source of information to answer any and all questions regarding my prior employment and background. I hereby agree to indemnify Moffitt, each of my prior employers, and each of the other sources of information contacted, and further agree to hold each and every one of them harmless from any claims arising from this authorization and direction.

I also authorize Moffitt to provide truthful information concerning my employment with Moffitt to my future prospective employers and I agree to hold Moffitt harmless for providing such information.

I understand further that any misstatements or omissions in this application may result in a decision not to hire me, or to discharge me if discovered only after hire.

If employed, I agree to conform to the rules and regulations of Moffitt. I understand that as a condition of my employment and continued employment, I may be required to submit to any testing for the presence of drugs or alcohol, and to submit to any procedure to assess my qualifications for employment.

I also agree that my employment with Moffitt is on an at-will basis and either I or Moffitt may terminate my employment with or without cause and with or without notice. No supervisor or manager may alter the at-will basis of my employment without the written authorization of Moffitt's President/CEO.

I understand and agree that as a term and condition of working for Moffitt, I am waiving my right to have a jury trial to resolve any lawsuit I may ever bring against Moffitt to the extent permitted by law. Any lawsuit that I may bring against Moffitt will be tried to a judge without a jury. I also understand and agree that I am waiving my right to participate as a member in a class or collective action lawsuit and/or act as a representative of a class of similarly situated individuals in any lawsuit against Moffitt.

My typed name below shall have the same force and effect as my written signature.

I hereby represent and warrant that I have read and fully understand the foregoing and seek employment under these conditions of my own free will and in accordance with my own judgment.
